INQUIRY

Please provide us with a commercial offer for the delivery of the screw forming machine (cold forming method).

Approx. thickness of sheets that are about to be formed: from 1mm to 35mm in the following material groups:

1. Construction steels of ordinary quality
2. Hardened alloy steels HB400
3. Stainless and acid-resistant steels
4. Heat resistant steels

The machine should be controlled numerically.

It should be possible to make helixes in the range of diameters from $\varnothing 100\text{mm}$ to $\varnothing 2000\text{mm}$.
Pitch – up to 800mm.

Formation is supposed to be stepless.

If your machine does not fully fulfil the terms above, feel free to propose your nearest solution.

The offer should include:

1. Price and payment terms
2. Deadline
3. Delivery terms – place of destination: Leszcze 15, 28-400 Pińczów POLAND
4. Employees training.
5. Service conditions.

Deadline for submission of tender: 15.11.2017
